

## InterDyn CFO Consulting Tampa Office Moving On Up

*Microsoft Dynamics™ Gold ERP Partner Relocating to Iconic SunTrust Financial Centre*

ORLANDO, FL – October 17, 2011 - InterDyn CFO Consulting announced today the relocation of the Tampa office to the SunTrust Financial Centre. The new location occupies a suite on the 18<sup>th</sup> floor of the thirty six story SunTrust Financial Centre at 401 East Jackson Street.

*Steve Lublin, President, InterDyn CFO Consulting, said “The Company is experiencing growth, especially in the Tampa market which initiated the move to a fresh new space and hiring a new Account Executive. Overall, our company has had a strong year. I attribute our success to a number of factors including; the successful inclusion of Microsoft Dynamics NAV™, a global Enterprise Resource Planning (ERP) solution, to our offerings.*

The Tampa team is dedicated to the manufacturing/distribution industry and has worked with manufactures from all over the world. Through implementing process changes and immerging technologies, they have successfully assisted manufactures to transform their manufacturing /distribution environments including; supply chain, scheduling, logistics, plant management and operations from reactive to proactive.

***“The SunTrust Financial Centre and the Tampa downtown district are the ideal professional and environmental combination to foster our strategic growth,” said Michael Mills, Tampa General Manager.***
